

What is the Prayer Line?

The prayer line is an organization within the Christadelphian Care Group, which began in 1986. A number of brothers and sisters undertake to pray regularly for those who are in special need.

Why do we need it?

Many who are facing crisis find they are unable to pray. All feel supported and strengthened knowing that they are being prayed for regularly by a number of brothers and sisters who share a concern for them.

All Ecclesias pray for brothers and sisters in need and many hold prayer meetings for specific needs.

The prayer line extends and complements ecclesial prayer.

*Then many will give thanks.....
for the gracious favour granted us in
answer to the prayers of many
